NON-STANDARD SERVICE APPLICATION

Please Print or Type

Applicant's Name/Company _____

Address/City/State/Zip _____

Phone number _____ Fax _____

E-Mail _____

Please attach a legal description of the proposed development as listed in deed records as a filed plat or parcel of land where other types of non-standard water service is requested. Plat requirements include: name of subdivision, owner/developer's name, lot sizes and lot lines, lot numbers, right-of-way dimensions and dedicated utility easements, legal description, highway and county road numbers, total acreage, and adjoining property owners, flood plan, and vicinity map. Instrument must show proof of ownership; preliminary plats are acceptable for discussion purposes but an "approved plat" must be provided before contract closing.

Check type of service application or development:

- Residential Subdivision
 Multi-family
 Mobile Home Park
 Trailer Park
 School
 Line Extension
 Commercial/Industrial Park
 Large Meter (>1")
 Multi-use Facility
 Other

Please list all water demand criteria for each meter or meter equivalent, or attach any engineering studies completed for the propose service: _____

Maximum number of proposed lots: _____ Range of standard lot sizes _____

Acreage _____

Please describe in detail the nature and scope of the project/development:

Initial needs _____

Phased and final needs, including a map showing each phase, and the projected land uses that support the requested level of service for each phase. _____

Please list any additional special service needs not listed above. _____

Please provide the timeline for initiation of this service, and for service to each additional or projected phase following initial service, including a schedule of events leading up to the anticipated date of services. Specify this for all additional or projected phases.

Please describe how the utility may access the property during evaluation of application.

Please attach the following information, as applicable:

- A proposed calendar of events, including design, plat approval, construction phasing and initial occupancy.
- If applying for a single tap that requires a line extension, road bore, or upsizing of facilities, maps or plans detailing the location of the requested service installation and /or extension and details of demand requirements.

Required Fees

Applicant is required to pay a Non-Standard Service Investigation Fee to the Corporation in accordance with Section G of the Corporation’s tariff for purposes of paying initial administrative, legal and engineering fees. The Corporation will refund any balance that remains after it has completed its service investigation, and has completed all legal and engineering services associated with processing a request. In the event the Investigation Fee is not sufficient to pay all expenses incurred by the Corporation, the Applicant agrees to pay all additional expenses that have been or will be incurred by the Corporation and Corporation will have no obligation to complete processing of the Applications until all remaining expenses have been paid.

Corporation’s response to service request

The Corporation will prepare a written response to Applicant’s service request within 90 days from the date the application was submitted and the required fees were paid. The Corporation’s response will state the timeframe within which the requested service can be provided, and the costs for which the Applicant will be responsible, which may include capital improvements, easements or land acquisition costs, and professional fees.

Applicant has received and reviewed Section F of the Corporation’s Tariff and agrees to comply with all the requirements contained therein.

Under the penalties of perjury, I declare that I have reviewed the information present in this Application, including accompanying documents, and to the best of my knowledge and belief, the information is true, correct and complete.
